3RD DIGITAL CONFERENCE

ESTABLISHING AN INTERNATIONAL NETWORK FOR PREVENTION OF SEXUAL VIOLENCE WITHIN THE CATHOLIC CHURCH

INVITATION

Dear Ladies and Gentlemen,

we are pleased to invite you to the 3rd Digital Conference of the International Network.

This year, we gave more topics and different voices space, in order to strengthen the exchange and personell encounter.

We are delighted to welcome **Dr. Marcus Pound** as our **keynote speaker**. He will talk about the current report **'The cross of the Moment'** of the University of Durham.

This will be followed by four short lectures focussing on different aspects of the prevention of child sexual abuse.

The conference will conclude with a workshop session in which both workshops will take place parallel, so you can choose to join one workshop. At the beginning, the background of the topic will be briefly introduced within 5-10 minutes. Afterwards, we invite you to share your perspectives, experiences, questions and jointly think about solutions.

We would be very happy, if you enrich the conference with your participation!

Please register by 06.10.2024 using the following link:
